The Lessee shall:

- 2.1 Make payment promptly, as due, to all persons supplying to such contractor, labor or material for the prosecution of the work provided for in such contract.

If the Contractor fails, neglects or refuses to make prompt payment of any claim for labor or services furnished to the Contractor or a subcontractor by any person in connection with the public contract as such claim becomes due, the public officer or officers representing the City of Lafayette may pay such claims to such persons furnishing the labor or services and charge the amount of the payment against funds due or to become due the Contractor by reason of this contract. The payment of a claim in the manner authorized shall not relieve the Contractor or his/her surety from his or her obligations with respect to any unpaid claims.

4. Hours of Labor

(ORS 279.316)

No person performing work required by this contract shall be employed for more than eight (8) hours in any one day or forty (40) hours in any one week except in cases of necessity, emergency, or when the public policy absolutely requires it, and in such cases the laborer shall be paid at least time and a half pay for all overtime in excess of eight (8) hours a day and for work performed on Saturday or any legal holiday specified in ORS 279.334.
