We have other items that need to go on the back of the bill, in addition to your notice. Without making the font substantially smaller, what you have submitted is about 3-4 lines more than I have space for. Can you please revise your note and resubmit to me.

Thank you.

Hello Jamie,

Here is the Mayor note for April's water bill. Please let me know if there are any changes. Thank you for all your help.

Thank you,

Darrell Flood  
Mayor of Lafayette
