Subject: Council Training Session

>

> Council: Mayor Flood has informed me that Jennie Messmer from the League of Oregon Cities (LOC) is available to conduct our training session this Thursday, March 29th at 6:30 p.m. Hopefully everyone will be able to make it on such short notice as it is very important that we have the opportunity to solve the problems that seem to be surfacing. Please let me know if you are available as soon as possible. Thanks, Diane
