Dear Ms. Flood,

At the request of Yamhill County Commissioner Mary Stern, I sent a letter to the Lafayette City Council inviting them to consider entering into a facilitation or mediation with you to address some ongoing concerns you are having with the City of Lafayette.

This formal invitation to meet with you was declined.

We are disappointed that we were not able to be of more help in resolving this specific situation, and if there is another opportunity for which our services could be useful we hope that you will contact us again, and we can hopefully be of more assistance to you in the future.

With best wishes,

Marlena I. Bertram
YCM Executive Director
