Mr. Polasek:

Thank you for taking the time to talk with me. I hope my direction to you on the points to be addressed in your response were helpful. You advised that you would have a written response to me, addressing the issues set forth in statute and further clarified in the Public Records Manual, by Tuesday.

Thank you for your professional courtesies and I look forward to reviewing your response.

Yamhill County District Attorney

Hopefully he will also address the discrepancies in the charges versus the resolution, which is the basis of the appeal.
