Angela Flood,

You have requested a waiver of fees associated with a document request from 2 years ago per the letter from Mr. Berry dated June 17, 2015. Your request to have fees waived per ORS 192.440 is denied.

I believe that was determined based on the more than two years for a response.

I believe Mr. Berry was looking for the basis of the denial for my appeal request.

Mr. Berry, please advise if I am incorrect.

Thank you

Angela Flood

Mr. Polasek:

You will still need to address the issues presented by my letter to you of last week, specifically the basis of the denial.

Thank you in advance,

Brad Berry

Good morning;

He did yesterday, but did not address the issues. I was in court much of the day and plan to call him today to advise him of the issues I need him to address. I'll keep you in the loop.
