Angela—this is from your Web Site and as you can see, it is the FIRST thing on your Web Site. Refreshing has NOTHING to do with it. I am not stupid.

My Rebuttal is at the VERY bottom, 30 pages down behind a LOT of blank white pages and junk emails. My rebuttal CANNOT jump up through 30 pages and go to the top. I did not need a computer expert to tell me that.

I want my Rebuttal at the VERY TOP, the FIRST thing you see.

Dear Angela and Darrell. Sunday, June 17, 2012

Below is the first amendment to our Constitution. As you can see, we have the right to worship as we chose too. And as far as offending Jamie, Laurie or Melanie, they are NOT Devil Worshipers. I have known Jamie and Laurie for 5 years and Melanie for a year now and I have NOT seen them dressed in **All Black** yet!

We only have one family in Lafayette that are Devil Worshipers and they DO NOT leave their house. They have only been outside twice and that was to walk from the front door to the back door. So I doubt that would even think of coming to a City Council meeting to be offended by the Lords words.

“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.”

As someone that believes **strongly** in the First Amendment and Freedom of Religion—I felt the need to say something to you.

Sincerely,

Linda Lyon

It is not the attachment. It is posted directly under the Voices tab. The "junk emails" you are referring to are the emails from you.

I will not be responding again. Call someone to help you.

Angela,

Wednesday, July 11, 2012

Ok I am happy now. I will cancel my call to my Attorney.

You now have it in Voices, but still mess up on Angela Alert. It is STILL at the bottom, BUT at the Top in Voices.

Don't write ANYMORE lies about Linda Mizell Lyon again.

Thank You,

Linda Mizell Lyon

No, please keep the call in to your attorney. I have several questions for them. Most specifically, how they can explain to you what my options are for the conversations that have taken place.

Just as an FYI - I didn't change anything. It is exactly as I posted a couple days ago. So, screaming at me accomplished nothing. But, it certainly got you all frustrated.

Angela, Wednesday, July 11, 2012

That is TWICE you have accused me of "screaming". I am NOT screaming at all. I just sitting here calm and cool as I can be, smoking a cig and drinking a cup of coffee. I have not open my mouth at all.

So accusing me of screaming is TWO (2) MORE LIES.
